

Thank you for booking an Exhibition stand in the **Recovery Business and Jobs Expos** running this year.

These Expos are the only sales focused business and employment events running in South East Queensland this year.

Gold Coast – 15 October, Carrara Indoor Sports Stadium 10am to 4pm

Moreton Bay Region – 29 October, The Hope Centre, Rothwell 10am to 4pm

Brisbane – 11 November, Hibiscus Sports Centre, Upper Mt Gravatt 10am to 4pm

Redlands Coast – 19 November, The Alexandra Hills Hotel and Conference Centre, Alexandra Hills. 10am to 4pm

There are 60 business industry groups and councils and sponsors working together on this program to help businesses reconnect and regenerate economic outcomes as well as employment outcomes to help rebuild our communities.

Small business makes up 93% of businesses in Australia and we are so powerful of what we can achieve if we work together and collaborate.

The business events and conference industry in Australia has been decimated and there are very few expos and conferences still scheduled for 2020 – we are determined to run our expos – no matter what - to help businesses at the grassroots level where people live and work and their kids go to school.

Small Business is crying out to re-connect and re-generate sales leads for their businesses in a face to face way. It is now time for us to do this on mass now that restrictions have eased.

It is exciting to see that the four Recovery Business and Jobs Expos will connect 700 exhibitors to 6000 local business professionals.

There are three speaker programs including talks for business, women in business and jobs employability workshops at each expo that may suit your business to be involved in to help you promote your products and services further.

Should you have any questions, please email [paulabrand@smallbusinessexpos.com.au](mailto:paulabrand@smallbusinessexpos.com.au)

Our Team thanks you for your support.

Paula Brand
